ALASKA TRIBAL
ADMINISTRATORS ASSOCIATION

2027 Annual Sponsorship

The Alaska Tribal Administrators Association (ATAA) is a 501(c) 3 non-profit organization dedicated to supporting Alaska's Tribal Administrators, General Managers, Executive Directors, Council Members and Tribal staff.

ATAA provides year-round collaborative space for knowledge-sharing and professional support. Many Tribal leaders in rural Alaska lack access to critical administrative resources, ATAA addresses this need by providing:

- Mentorship and professional development for emerging and experienced Tribal administrators.
- Training on securing and maintaining funding for Tribal programs and essential services.
- Workshops on financial management, compliance, and reporting to support long-term sustainability.
- Guidance on policy development, self-governance, and economic growth strategies.
- Opportunities for networking and peer support to strengthen Tribal leadership and collaboration.
- Shared Tribal Services at a discounted rate.

By offering real-world case studies, expert-led training, and practical tools, ATAA empowers administrators to navigate the complexities of Tribal administration and governance, ensuring stronger self-determination, community sustainability, and leadership.

Your sponsorship directly supports these efforts, allowing us to expand access to vital training and resources for Tribal administrators across Alaska.
