

## Sponsorship for the Alaska Tribal Administrators Association

Alaska Tribal Administrators Association (ATAA) is a non-profit organization established in 2015 to support Alaska's Tribal administrators, general managers, executive directors, presidents and Tribal councils.

ATAA also hosts an annual Alaska Tribal Administrators Association Symposium. The purpose of the symposium is to develop a collaborative atmosphere of knowledge sharing and professional support among Alaska's Tribal administrators. There is a great need for ongoing Tribal administrative support that many Tribal leaders in rural villages simply do not have now.

Our goal is for ATAA to provide opportunities for mentorship, staff development, and sharing ideas for funding opportunities for Tribal programs and services. The ATAA symposium will provide concrete models and examples of effective Tribal administration practices. This in turn will result in greater self-governance, community sustainability, and leadership.

Your sponsorship makes it possible for ATAA to achieve these goals with support and engagement from businesses and the Native Community, including corporate sponsorship.
