

Annual Sponsorship for the Alaska Tribal Administrators Association

Alaska Tribal Administrators Association (ATAA) is a non-profit organization established to support Alaska's Tribal administrators, general managers, executive directors, and presidents.

ATAA hosts an annual Alaska Tribal Administrators Association Symposium. The purpose of the symposium is to develop a collaborative atmosphere of knowledge sharing and professional support among Alaska's Tribal administrators. There is a great need for ongoing Tribal administrative support that many Tribal leaders in rural villages do not have.

Our mission is to provide opportunities for mentorship, staff development, and best practices for funding opportunities for Tribal programs and services. The ATAA symposium provides concrete models and examples of effective Tribal administration practices. This in turn will result in greater self-governance, community sustainability, and leadership.

Your generous sponsorship makes it possible for ATAA to achieve these goals!
